“BCA BUSINESS NETWORKING GROUP”

Dear Neighbor:

Keep your business in the East Birchwood neighborhood ! We are a dynamic community with neighbors who are involved in a variety of businesses and service providing industries.

In these challenging economic times, why not keep your business within the East Birchwood Community, with your neighbors. We do not need to look further than within the borders of our own neighborhood for virtually all of our business needs and services.

The BCA is proud to announce the formation of the BCA “East Birchwood Business Networking Group”. **Membership is open to all Birchwood Civic Association Members, and is included in your general dues as an additional membership benefit.**

Based upon the level of interest, we will begin by initially posting by business category a listing of all those who enroll in this group on our web site. This business listing will later be forwarded via e-mail blast to all 1300 East Birchwood families. It is further anticipated that local businesses and sponsors may join, and if there is sufficient interest we plan on having business networking functions in the future.

If you are interested in joining, please fill out the bottom of this letter and forward with your dues mailer in the attached envelope.

Thank you in advance for your interest and your continued support of your Birchwood Civic Association
